

Ride the Course

Racers

2 players

Equipment

- *Ride the Course* decimal addition and subtraction cards
- 3-section spinner labeled 1–3
- 2 different game pieces

Go!

- 1 Players shuffle the game cards and place them facedown in a stack.
- 2 Each player selects a game piece and places it behind **START**.
- 3 The first player selects a card and performs the addition or subtraction indicated. The second player checks the result.
- 4 If the result is correct, the first player spins the spinner and moves the indicated number of spaces.
- 5 Players reverse roles. Play continues as players take turns selecting a card.
- 6 The first player to reach **FINISH** wins!

Spinner Tips

How to assemble spinner

- Glue patterns to tagboard.
- Cut out and attach pointer with a fastener.

Alternative

- Students can use a paper clip and pencil instead.
