Your Ultimate Math Workshop Suite
Ensure Equitable Teaching and Learning

Math Workshop addresses the question asked by every mathematics teacher: “How do I engage, challenge, and support the needs of all learners?”

—Sherry Parrish, author of Number Talks
Reimagine Your Math Classroom with These Resources That Support Math Workshop

Math Workshop Essentials: Developing Number Sense Through Routines, Focus Lessons, and Learning Stations
GRADES 3–5
Rusty Bresser and Caren Holtzman
Explore tried-and-true ideas for all three of the structures presented in Math Workshop.

Math Games Series
GRADES K–5
Jamee Petersen
This two-book series features more than 40 games for use in Math Workshop learning stations.

It Makes Sense! Series
GRADES K–2
Melissa Conklin, Stephanie Sheffield, and Ann Carlyle
This three-book series provides lessons, routines, and games for all three Math Workshop structures.
Number Talks Series
GRADES K–7
Sherry Parrish and Ann Dominick
Provide powerful number sense routines to kick off each of the three Math Workshop structures.

How to Differentiate Your Math Instruction: Lessons, Ideas, and Videos
GRADES K–5
Linda Dacey, Jayne Bamford Lynch, and Rebeka Eston Salemi
“In Math Workshop, differentiation is purposeful and plentiful.”—Jennifer Lempp

From Reading to Math: How Best Practices in Literacy Can Make You a Better Math Teacher
GRADES K–5
Maggie Siena
Do you already use reading workshop? Make the connection to Math Workshop!

Math–Positive Mindsets: Growing a Child’s Mind Without Losing Yours
GRADES K–5
Carrie Cutler
Create a positive classroom culture for Math Workshop—and get parents on board!

Welcome to Math Class: A Collection of Marilyn’s Favorite Lessons
GRADES K–6
Marilyn Burns
Discover powerful lessons for use in Math Workshop and beyond.
Professional Learning  

**Math Workshop: Structures and Practices for Student Learning**

In this Math Solutions® Professional Learning course, engage in the Math Workshop model of instruction, reflect on how the structures and learning environment maximize learning for all students, and create a plan to implement Math Workshop in your classroom.
